## MANAGEMENT NIGHT

---

### The Start up of the 2020 Corvette Stingray

---

**SPEAKER:**

**KAI SPANDE**

**TECHNICAL CHAIRMAN:**

**JOHN LANCASTER**

Kai Spande is the plant manager for the General Motors Bowling Green Corvette Assembly Plant. He will share what is going on at the Corvette plant (hint \$800 Million investment), Corvette technical information, as well as his experiences since leaving the casting group.

Kai Spande was appointed plant manager for the General Motors Bowling Green Corvette Assembly Plant in September, 2015. Kai has held positions in multiple locations including Michigan, Ohio, and New York. He has also held a number of international assignments including a U.S. Department of Commerce Fellowship, which generated a one year assignment in Japan and a Director position in the GM/OPEL European Powertrain Engineering Staff. Kai's roots are based in the solid base of knowledge and leadership skills gained 25 years of service in the Powertrain operations, primarily in various casting manufacturing and engineering roles.
